**XV INTERNATIONAL MINERAL PROCESSING  
AND RECYCLING CONFERENCE – IMPRC 2023**

The XV International Mineral Processing and Recycling Conference (IMPRC 2023) is organized by the Technical Faculty in Bor, University of Belgrade, Serbia, with the technical support of the Chamber of Commerce and Industry of Serbia.

The XV International Mineral Processing and Recycling Conference (IMPRC 2023) will be held on **May 17-19, 2023** at the premises of Chamber of Commerce and Industry of Serbia in Belgrade, Serbia. Previous conferences were very successful and scientists and companies from many countries gathered to exchange information and research results. The conference has the objective of creating an international forum for academics, researchers, and scientists from around the world to present their latest research results, ideas, and developments regarding the issues related to mineral processing and recycling technologies and related areas.

We take this opportunity to invite you to participate in our conference and to contribute its successfulness with your papers and other conference activities.

**CONFERENCE TOPICS**

- Comminution and Classification
- Material Analysis and Mineral Characterization
- Physical enrichment – gravity, magnetic and electrostatic separation
- Flotation and Surface Chemistry Processes, Flotation reagents, Flotation technology
- Mineral Processing Management of Complex Ores
- Leaching and Solutions Processing
- Coal Processing
- Dewatering and Agglomeration
- Sustainability in Mineral Processing
- Education and Other Subjects Related to Mineral Processing
- Waste Generation and Analysis
- Recycling and Utilization of Industrial Waste
- Recycling of Bio-waste
- Treatment of Waste (mechanical, biological, chemical, thermal...)
- Environmental Engineering
- Waste and Resource Management
- Renewable Energies
- Energy Efficiency and Sustainable Development
- Plant and Process Design
- Simulation, Modeling and Process Control
- Legislation Aspects on Environmental Protection and Waste Management
- Education in the Recycling and Sustainable Development Area

**DEADLINES**

Preliminary registration and abstract submission:	October 31, 2022
Notification on abstract acceptance:	November 31, 2022
Submission of full-length papers:	March 31, 2023
Notification of the papers acceptance:	April 15, 2023
Final program:	May 10, 2023

**CONFERENCE FEE**

For the author:	150 EUR
For the accompanying person:	100 EUR
For the student (PhD, graduates):	75 EUR
Deadline for Conference fee payment:	<b>April 31, 2023</b>
